We also look forward to continuing to receive Your long-term companionship and support and welcome all cooperation opportunities with You in the future.

Best regards!

## About us

Nam Hoa was established in 1993, derived from the idea of creating a world of wooden toys with both of entertaining and highly educational for children. As one of the Pioneering companies in the professional of investment in infrastructure, machinery and manpower training. At this time, Nam Hoa is a Company specializing in manufacturing and processing furniture and decorative products. The period 1995 - 1996 marked the market's recognition of Nam Hoa's products when the company had its first export orders to Korea and Japan. After that, Nam Hoa continuously invested production lines to improve product quality, thereby expanding exports, conquering other fastidious markets such as the US and Europe.

In 2000, Nam Hoa boldly invested in a factory specializing in producing children's wooden toys, household products and furniture, becoming a pioneer in the field of manufacturing and exporting children's wooden toys in Vietnam.

In 2014, marking the appearance of Nam Hoa's Toys products in the domestic market with Nam Hoa Toys brand - Play To Grow By 2018, as to affirm its growth and focus on developing the domestic market, Nam Hoa launched household products with Namhoa Household brand, and is gradually receiving customer' acceptance.

In 2019, the year marked a big change of Nam Hoa as it continued to invest in construction and inauguration of the second factory in Cu Chi, Tan Phu Trung industrial parks with a total area of up to

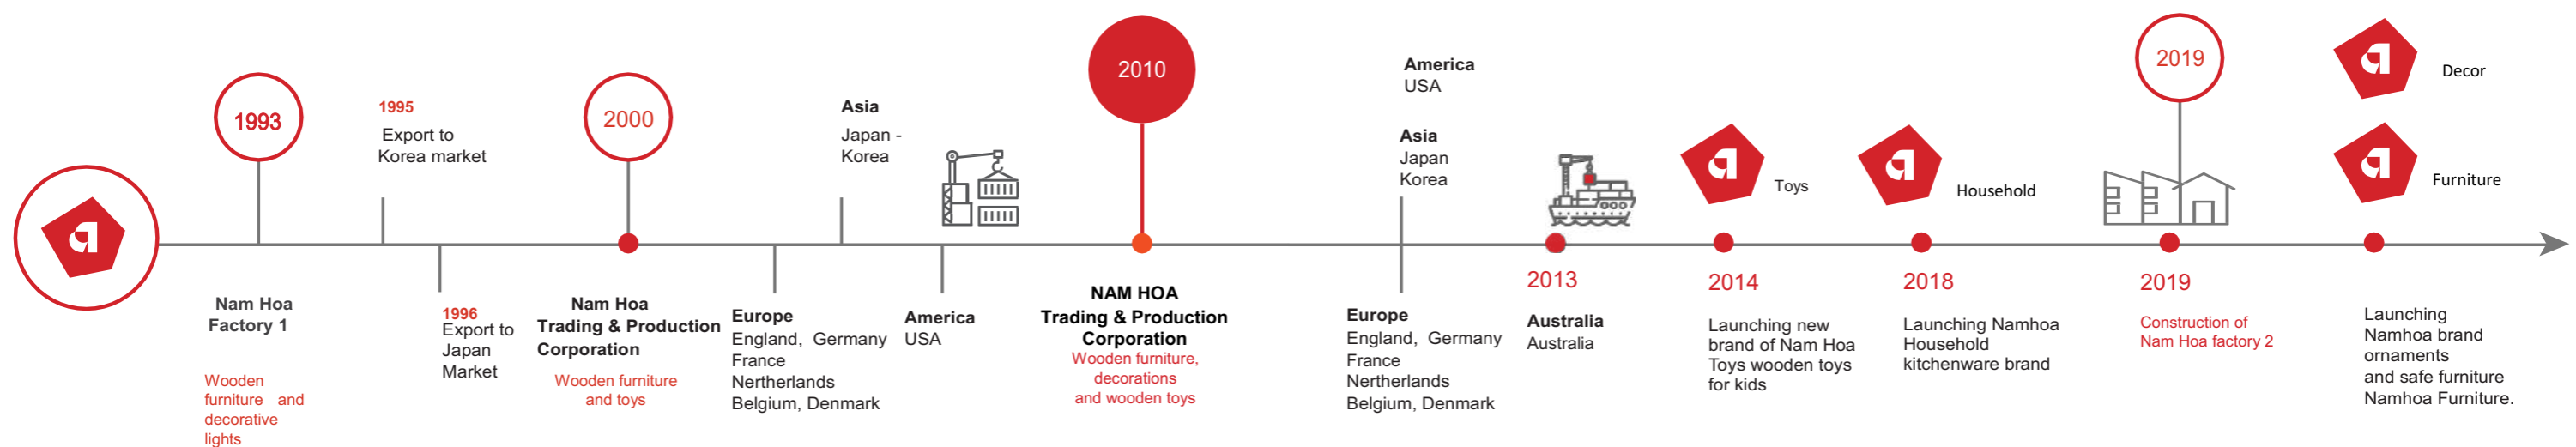

20.000m2 (equivalent to public capacity of 3,000,000 products/year), invested in modern infrastructure, machinery and production lines, launched two new product lines with branded Namhoa Furniture (safe furniture) and Namhoa Design (decoration).

Over 26 years of formation and development, in parallel with the development of people, infrastructure, machinery and production lines, Nam Hoa successfully built the quality management system ISO 9001:2000 by TUV Anlagentechnik GmbH, Germany (upgraded with new version ISO 9001:2015), GSV C-TPAT / GSV by Intertek. In addition, all products must meet or pass strict testing requirements from each market such as ST / Food Test (Japan), EN 71 (EU), ASTM / CPSIA lead content <100ppm (US), KPS (Korea), etc.

Nam Hoa always works with the motto of focusing on product quality and value. We look forward to providing our customers with products that are designed creatively to follow the world's trends, have quality and safety meeting the highest standards and have affordable prices for all domestic and foreign customers.

Nam Hoa Corporation with creative and humanistic thinking and continuous efforts of the entire Board of Directors, staff and workers with high skills, enthusiasm with their profession, Nam Hoa has been rising and affirming its position in Vietnam and International markets.

## Learning playing toys

Learning playing toys help children access basic knowledge, which is one of the first uses that Nam Hoa aims at. With the combined cube sets with printed letters, the numbers will give your baby the first shapes of mathematics and Vietnamese. Puzzle sets can help children identify and remember the most basic geometry such as round, square, rectangular, triangle, etc.

From basic knowledge, through play, children will quickly grasp the knowledge to be ready to step into grade 1 confidently.

## Creative playing toys

Inherit and upgrade from groups of activity and learning toys, Nam Hoa launched a line of creative playing toys.

This is a product line that brings educational value, stimulates the creative curiosity of children, helps develop minds of children from their first stages of awareness.

When playing, children will begin to familiarize themselves with new concepts and knowledge. We understand that a quality toy product today needs to bring an educational message, helping children develop their intelligence in addition to the fun, creative and inspiring visual requirements.
